

Keep Us Informed

For efficient functioning, it is very imp to establish and maintain a two way communication between Housing Dte and the members. This is particularly imp for the last two years of officer's service to avoid complications at later stage. Some imp points are:

1-Intimation on Promotion:

- Members are requested to furnish info to Housing Dte about their promotion to the next rank, especially to the rank of Col, so that const of housing units can be planned as their entitlement.
- Change of mailing address, email address and contact no.
- Intimation of date of SOD.

2-Brigs scheme

- All newly promoted Brigs(who are member of AOHS) are requested to obtain the membership of Brig scheme till 31 Dec of next yr of their promotion
- Deposit of terminal payment. As per policy, houses are balloted when they are nearing completion and 2 ½ months pd is given for clearance of terminal benefit. Thereafter, a grace pd of 1 month is allowed with 1.5% markup per month. in order to ensure that the scheme remains financially viable, it is imperative that the terminal payment is cleared by the Allottees by due date.

3-Taking over of Housing unit:

Delay in taking over of allotted housing unit is a serious concern faced by Housing Dte. Allottee member usually delay in taking over due to following reason:

- Waiting for rise in sale price.
- Objection on minor issues.
- Non-availability of requested funds.
- Investment made elsewhere.

If a member fails to take over housing unit within 30 days from date specified for taking over, otherwise allotment will be cancelled.
